A Star Media Event

More than just a Home Show

You are not just buying space at our show you are investing in an opportunity to showcase your business over 3 amazing days at Canterbury's most advertised Home Show. Included with this is carpet, venue hire, 5 amp power supply, 2 spotlights, security, car parking , administration, hot drinks and catering. You will also receive added value of ongoing advertising by including you for FREE for 365 days after the show on a Home and Leisure Show dropdown which will be linked to your website on Starnews.co.nz which is an amazing news platform. This currently has ******** views and is growing each month. We want your success and profile to continue long after our event and this is our way of helping you do this. We are looking for a partnership with your business throughout the year not just at Show Time!

Before the show we will promote any show specials or offers that you have through selected media. We will also include you in the exhibitors list to be included in selected print the week of the show.

After the show we will run a feature on winners from the show so if you have any prizes drawn and won after the show we can include you in this advertising in selected print if you so desire.

Star Media prides itself in our marketing campaign which will start 4 weeks before the show and will include print, radio, TV, billboards, outdoor signs and digital. We will spend approx. $150,000 to promote our show to help get the attendance and we WILL give away an Electric Vehicle worth $26,000 to one lucky attendee thanks to HVS. We will also have other prizes to giveaway nearer the show.

At certain times during the 3 days our goodie bags given out to the attendees will include free samples from various companies.

NO other Home show in Canterbury offers all this added value when you book a stand. We value your support and we will do whatever we can to help you have the most successful show possible before and after the event. We are the biggest advertised Home Show in Canterbury and if you don't believe us, then ask the others what they spend.

Star Media
HOME & LEISURE Show

We believe we deliver the best Home & Leisure Show in the south Island. But dont just take our word for it.....

‘We have attended quite a few Home Shows in our time but this one was exceptionally good for us, in helping to launch our company in Christchurch and providing a good number of quality leads.

The show had a really good atmosphere and, in addition, the organisers really looked after the exhibitors in terms of facilities and catering. I would certainly book again for the next show.’

Aspiring Kitchens

Having met you earlier this year and listened to your promises, we decided to take the chance. We are glad we did because you delivered on every word. The first thing we needed to make sure after the show was we re-booked for next year, so thank you!

Whitehouse Builders

“I would highly recommend the Star Home and Living show to any business that wishes to showcase their products and services to a qualified crowd.

As a result of us exhibiting at the show, we had customers instore within hours purchasing from us.

I would also like to acknowledge the professionalism and excellent organisation from the team at Star Media”.
